## Publications

Lin, J. Y., **Pype, A. D.**, Murray, S. O., & Boynton, G. M. (2010). Enhanced memory for scenes presented at behaviorally relevant moments in time. PLoS Biology, 8(3): e1000337.

**Pype, A. D.**, Lin, J. Y., Murray, S. O., & Boynton G. M. (2010). Individual differences in the shape of visual attention during object tracking. Poster presented at the 10th Annual Vision Sciences Society Meeting, Naples, FL.

Lin, J. Y., **Pype, A. D.**, Boynton, G. M., & Murray, S. O. (2009). Target identification enhances unconscious recognition. Poster presented at the 11th Annual Northwest Cognition and Memory Conference, Victoria, BC.

## Awards

Simon Fraser University Graduate Fellowship, Fall 2011

## Relevant Experience

Graduate Research Assistant, January 2012 - Present  
School of Communication, SFU  
PI: Peter Anderson, PhD

Graduate Research Assistant, September 2010 - Present  
SCIENCE Lab, School of Interactive Arts + Technology, SFU  
Co-PIs: Brian Fisher, PhD and Peter Anderson, PhD

Graduate Research Assistant, May 2011 - September 2011  
Bridges Project, iSchool, UW  
PI: David Hendry, PhD

Undergraduate Research Assistant, September 2008 - May 2010  
Vision & Cognition Lab, Department of Psychology, UW

PIs: Geoffrey M. Boynton, PhD, Ione Fine, PhD & Scott O. Murray, PhD

Undergraduate Research Assistant, November 2009 - August 2010

Decision Making with Uncertainty Lab, Department of Psychology, UW

PI: Susan Joslyn, PhD
